

7250130 – 19L Justrite Type II Accuflow Safety Can

FM tested and approved, this can has the patented Accuflow™ system which automatically vents for smooth “glug” free pouring and the Safe-Squeeze® trigger provides maximum control when pouring. The can is fitted with a stainless-steel flame arrestor to dissipate heat and prevent flashback ignition. To further give you peace of mind, the can comes with a 10-year manufacturer’s warranty.
