

LITHIUM ION BATTERY STORING AND CHARGING CABINET

The new Spill Doctor lithium ion battery charging and storage cabinet provides the ideal storage and charging solution. With 3 receptacles, it enables simultaneous charging of multiple batteries, providing a reliable and efficient solution.

The cabinet is 2 hour fire rated.

The lightweight and compact cabinet allows for easy relocation. To prevent theft this unit has a lockable door and adjustable shelves.

Safely managing the charging and storage of lithium-ion batteries in the workplace is crucial to prevent accidents and ensure the well-being of employees.
