

BF4 – Bunded Floor with 120L Sump

The BF4 floor unit can be used alone to store up to 4 x 210ltr drums or 16 x 25ltr drums. Multiple pallets can be linked to create a larger workstation. All our bund flooring is manufactured from Linear low- density polyethylene (LLDPE), for broad range chemical compatibility and this model features a removable plastic grid to allow you to re-claim and clean-up liquids easily. An optional ramp for loading and unloading is available. Forklift and Pallet jack compatible.
